

## 2020 Virtual Series NCCHC Lessons in Leadership Sponsorship and Support Opportunities

We invite YOU to partner with us as a sponsor for one or more of the 2020 Virtual Series - NCCHC Lessons in Leadership. For more information, see the attached or contact NCCHC’s Executive Director Kim Andosca at [kandosca@amgroup.us](mailto:kandosca@amgroup.us) (916) 231-8970.

The National Community College Hispanic Council (NCCHC) is the nation’s premier organization for preparation and support of Hispanic leaders in America’s community colleges. NCCHC is an affiliated council of The American Association of Community Colleges (AACC) and believes that "Education is essential for realizing the fullest potential of each member of our society and that appropriate higher education should be available to all." While Hispanics in American society do not comprise the only group that may need special attention and assistance in taking full advantage of higher education opportunity, this is the group to which our primary attention is directed. NCCHC is a non-profit, charitable organization founded in April, 1985.

As an affiliate of the American Association of Community Colleges (AACC), the NCCHC organization is committed to delivering high quality leadership development experiences and providing Hispanics/Latinos with opportunities to continue their personal and professional growth. The Council provides members with resources, networking and educational opportunities.

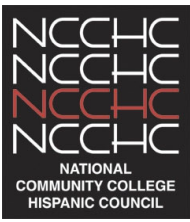

***We anticipate up to 250 administrators from across the country to participate in the NCCHC 2020 Virtual Webinar Series – First Webinar Scheduled for August 20, 2020***

Leadership development is a major issue across the nation in all sectors of our economy especially given the challenges presented by COVID 19. By addressing the on-going issues facing so many of our up and coming Hispanic professionals, our series will aim to explore all aspects of adapting, re-tooling and reorganizing, operations and instruction on college campuses. We will also explore student specific challenges as our series topics progress as it is also one of the core missions and values of NCCHC to advocate for Hispanic students, equal opportunity and accessibility in higher education, specifically at the community college level. NCCHC helps to provide the leadership which will be critical for us to meet the challenges we face during and after this pandemic.

**Take advantage of the opportunities in this packet to reach administrators nationwide!**
